What is Conspicuous Consumption?

Conspicuous consumption, a term popularized by economist and sociologist Thorstein Veblen in his 1899 work The Theory of the Leisure Class, refers to the act of displaying wealth and status through the acquisition and exhibition of luxury goods and services. It often serves as a social signal, asserting one?s position within a hierarchy or community. These behaviors mirror human conspicuous consumption in their function of social signaling.

Features of Penguin Behavior as Conspicuous Signals:

- Vivid Plumage and Displays: Some penguin species develop bright, distinctive markings or behaviors that attract mates.
- Resource Investment: Building elaborate nests or collecting the finest pebbles can be seen as a form of conspicuous effort to impress potential mates.
